

URGENT PRAYER REQUESTS FROM INDIGENOUS MINISTRY LINKS AUSTRALIA

11/07/08 - Thank you for your continued prayers for the team of Indigenous Ministry Links Australia and the Musch Family. Well the month of July has just exploded upon us and there are many prayer and praise points that we would desire to share with you and see the Lord's victory in.

Carl Musch and NT Ministry Trip - Carl is presently driving to the Northern Territory to do ministry in many different communities. 1 hour before he left there was a phone call from the people of Manmoyi who are holding the Forgiveness Week from July 17th until 20th to say that the road from Oenpelli is closed due to 'secret ceremony'. We need this road to be open to be able to get to and from Manmoyi! The people of the region have known that this Forgiveness Week was going on and yet this is the first time we have heard of the secret ceremony. We need to pray that God's will be done in this situation as many people from around Australia are going to join with the Manmoyi people to seek God's face and see Forgiveness flow in this remote and surrounding communities.

Carl schedule is almost crazy on this trip and is detailed below so we would appreciate your prayers please.

PRAISE NOTES – The great necessity and blessing of volunteers -

Neil and Julie Spring along with Laurie and Peter and Raleigh have completed a shed down at the Mossman Gorge Church as well as helping to prepare vehicles for the recent trip for Tony Rodgers who has just done the circuit with Anderson George that Carl is about to do and for the trip that Carl is doing now. Neil, Julie and Laurie have also been very active in giving Gideon bibles to many people that have been so open to receiving them and to the Lord.]

Tony Rodgers – Reports that the NT trip (returned Monday 7th July) was a great blessing not only to him but also to the many people and small groups that he visited and saw God moving among these people. He encountered some battles along the way with health and vehicles but saw the victory Halleluiah! From the trip Tony feels that God is extending the boundaries of his ministry. He wants to thank all the people who were praying for him and asks for continuing prayer for his health and for finance to be able to do more outreach. He looks forward to returning to Arakun and Coen in Cape York in the next few months for more ministry.

WE REALLY NEED MORE LABOURERS FOR THE RIPE HARVEST!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
